

*California Biodiversity Council*  
**Local Group Forum**

June 15, 1995  
9 am - noon  
Elk Grove School District, Board Room  
9510 Elk Grove-Florin Road  
Elk Grove, California

**A G E N D A**

This local group forum will focus on the connections between local planning, private conservation initiatives, and biodiversity. Local group forums provide a means for the California Biodiversity Council to listen to and learn from the people who are working locally to improve the conditions of communities and resources.
